

United Women's Soccer League comes to Albany!

Albany Rush is delighted to be a part of the United Women's Soccer (UWS) League for the 2021 season. UWS is a national pro-am league composed of professionally organized clubs within the United States and Canada. The league provides high-level competition for college players, aspiring and former professionals.

Albany Rush will sponsor two teams; Albany Rush UWS, who will play in the East Conference, and Albany Rush UWS2, who will be part of the New England Conference. Both rosters primarily consist of elite collegiate athletes - of whom nearly all attended Capital District high schools - and some of the best current high school players in Section 2!

The graphic features a dark blue background with a large, stylized 'RUSH' in red and white. At the top, there are three logos: the United Women's Soccer League logo, the Albany Rush logo (a lion on a shield), and the Albany Rush UWS2 logo. The main title 'UWS AND UWS-2 HOME SCHEDULES' is in large white letters. Below it, two columns of game dates, opponents, and times are listed. A 'DH' (Double Header) icon is placed between the two columns. A 'DOUBLE HEADERS' section is also present. At the bottom, the venue information is provided, followed by a large 'SEASON TICKETS AVAILABLE NOW!' call to action and a website link.
